

The SADS UK Big Shock Campaign is moving forward apace urging legislation for defibrillators in all schools.

Maria Caulfield, MP brought forward a Private Members Bill for legislation which has its second reading on the 27th January. SADS UK urge you to support this important Bill for legislation, the goal that SADS UK has lobbied so long and hard for.

Please write to your MP and ask them to back this Bill! We've provided an example template you can [download here](#). Please send us a copy of your letter and any response you receive.
